

Welcome

The last eighteen months have been a tough time for artists and performers as venues and festivals had to cancel their events. Indeed, K-FEST had to cancel the 2020 edition but we are delighted to be back for 2021, albeit delayed from the usual June Bank Holiday weekend.

like to single out our outgoing chairperson, Penny Dahl, and our outgoing Arts Director, Neil Browne, for their direction and dedication over the last number of years, and congratulate Rochelle Lucey in her new role as Arts Director of K-FEST.

From October 22nd to 25th, you can expect a wide range of visual and performance art, music, spoken word, drama, film and family events. As they country transitions back into more normalised socialising and events we look forward to seeing you in Killorglin.

Lastly, we have really been amazed by the level of support from the local business community, public funding and individuals who have helped fund this years festival through sponsorship and donation. In was has been a tough period financilly for many, they have really stepped up to the plate for this festival.

As a committee we have had some young old faces out and new faces in. I would like to thank those that have joined, and those still on the committee, who have donated their time and expertise to the festival. It could not happen without each and everyone of you. There are too many to mention on this address, but I would

On behalf of K-FEST, Killorglin and artists everywhere - we thank you.

K-FEST has countless supporters — businesses, organisations, and individuals who give to the festival, whether through fundraising, attendance at our pub quiz, vouchers for draws, or services in-kind. Pubs and restaurants serve as nighttime music venues, as well as patrons. Building owners offer their spaces and even accompanying amenities, and numerous volunteers offer their time. See www.kfest.ie for a detailed list.
